Nicky,

I am going to send a memo to John Quam regarding the 5,000 ft. lots ...

I think it would be wise if you proceeded with your lawsuit as well

Nicky, Bob,

....I'm in "going through the motions" mode. It's a farce. It's a charade. It's even a masquerade, in some sense. But I'm going to go put on my deliberative Commissioner face and two-step with the rest of them. I'm so ready for November. I totally wanna kick Barford's and Barlow's asses! Meanwhile, you'll be happy to know, the City is facing another lawsuit. I'll forward you details.

He has heard back. The insurance policies the City presently has do not cover this sort of thing.

....Robin is most qualified to undertake the lawsuit, because she has standing...

You... should have standing as well. I've got financial backers, I think, so it shouldn't cost you anything.

I'd like to set these boys back on their heels a bit by floating the specter of a bulldozer visiting 315/317, 403/405, and maybe even certain residences along Pine.

Nicky,

Would you consider posting a comment on the blog re: the site plan review procedures for 216 Pine Avenue? **(Stoltzfus wrote the actual document but wants it posted by a "citizen")**

Here's how postings on the blog got distributed

From: **Daniel Charles** <charlesdaniell@mac.com> Stoltzfus' campaign manager
Date: Thu, Feb 25, 2010 at 3:39 PM
Subject: Fwd: [Our Anna Maria.] Do You Have Any Idea What's In That Hot Dog?

To: SMITH BILL/BETSY <wksjr@webtv.net>, "HARRIS, CHUCK HARRIS" <charlesharris@gmail.com>, CONOLY JIM (p and z member) <jimconoly@gmail.com>, SUELYNN <suelynn@tampabay.rr.com>, MCLEISH ALISTAIR <alistair.mcleish@mcleish-group.com>, BROCKWAY MARCIA/DAVE <merrymarcia02@aol.com>, TURNER TOM <tptami@aol.com>, HOSPITAL BEV <bevhospital@verizon.net>, BEARD JEFF <jsbeard@tampabay.rr.com>, YANGER BETTY <wyanger1@tampabay.rr.com>, HYLAND TIM/KATHY <khyland333@gmail.com>, MILESKO DIANE <mileskod@yahoo.com> (wife of p and z member Pytel)>, HUNT NICKY/BOB <watersidehomes1@aol.com>

Then, among others, Milesko sends to her list which includes at least one Commissioner. Now, nothing indicates receiving commissioners were aware of the original source of the posting, but the source clearly knew the distribution channel.
